Temporary Transfer of Water for 2016/17 Water Year

Barossa Infrastructure Ltd advertises for temporary transfer of water between customers, with the following conditions:

1. Trading between customers is done on full Megalitre basis on a first come first served basis
2. Customers who receive a temporary transfer of additional water will be invoiced by BIL, at the current water price, as the water is used; for water not used customers will be charged at the current unused water price
3. Customers who transfer water will have that water deducted from their total quantity for the year involved
4. Only surplus Premium Water is likely to be placed; if an opportunity for Off Peak Water occurs customers will be informed
5. There will be no charge by BIL for this service
