

## Newsletter to Barossa Infrastructure Ltd Customers

1 March 2024

### *New Staff Member*

I am pleased to welcome Adam Broadbent to BIL's team. Adam has taken over Neville's role and will assist in the day-to-day operations of the company.

Adam will be working with us on Monday, Tuesday and Friday.

Adam is a Nuri local and has worked as a cellarhand and at Light Regional Council before joining BIL. Outside of work you'll find Adam at the Nuri footy club as a trainer or having a drink at Western Ridge Brewing.

Please welcome Adam next time you call into the office.

### *Office Opening Hours & Staffing Arrangements*

The office is officially open on Wednesday, Thursday and Friday, and this coincides with Lisa's workdays.

Adam works Monday, Tuesday and Friday, and is contactable during business hours.

Simon works full-time and is contactable during business hours, or 24/7 for emergencies.

Adam and Simon are often out and about. If you would like to meet in person, call ahead to make sure someone will be there to help you.

Steve and Caleb from IMS provide full-time operations and maintenance services to BIL, as well as a 24/7 emergency response. You can contact them direct or through BIL.

### *Temporary Water*

We have temporary water available for customers needing extra to get through vintage or over winter. Complete and return [this form](#).

If you have surplus water this Water Year, return [this form](#) to us and we will try to match you to a customer seeking additional water.

Or if you and another customer have already agreed to transfer water between yourselves, use [this form](#).
