

**Newsletter to Customers of Barossa Infrastructure Ltd**

12 December 2024

The BIL team wishes you a safe and, if the growing season permits, restful Christmas and New Years period.

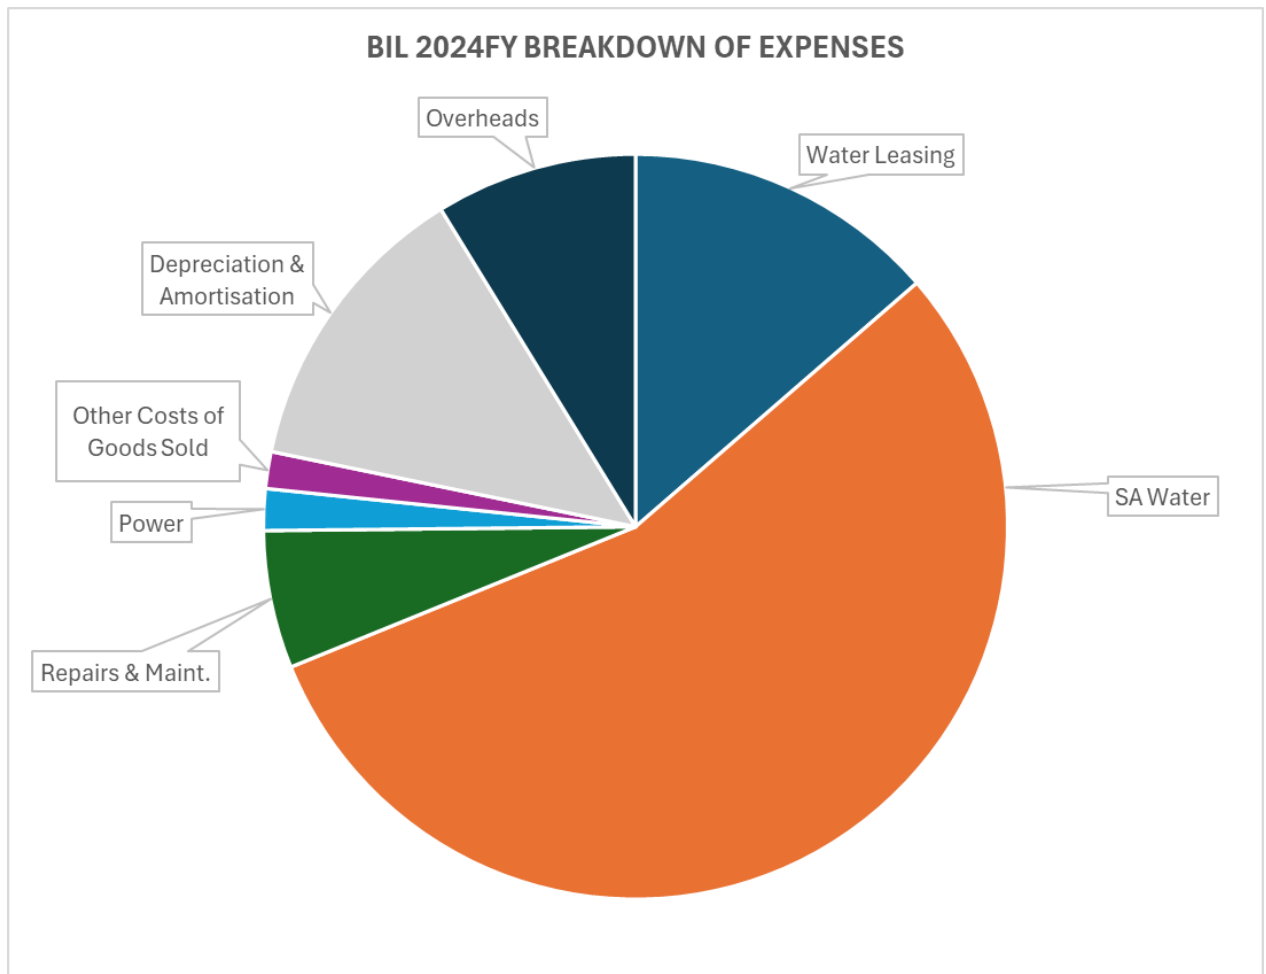

*Christmas Office Closure*

BIL’s office will be closed from midday on Friday 20<sup>th</sup> December 2024 and reopen at 8.30am on Wednesday 8<sup>th</sup> January 2025.

During this time Caleb, Steve (except 25<sup>th</sup> to 30<sup>th</sup> Dec) and Simon remain available for emergency and maintenance requirements. Contact phone numbers are at the end of this newsletter and on the website.

*Breakdown of BIL’s Expenses*

We produced the following pie chart of BIL’s expenses after discussion with shareholders at our AGM.

### *Temporary Water*

Do you have more BIL water than you will use this Water Year? If so, we have customers seeking additional temporary water. [Fill in this form](#) and return it by email or to the office.

If you would like additional temporary water, [fill in this form](#) and return it to us. We will do our best to find water for you, but we can make no guarantees – particularly given how dry it has been.

If you and another BIL customer organise to transfer water between yourselves, [use this form](#).

### *Source Water*

We continue to receive a mixture of raw reservoir water and chloraminated water.

We expect to be switched to 100% raw reservoir water soon, but SA Water is unable to say when. We will inform customers when we know.
