The whole scheme will undergo a temporary shutdown from Monday 19 May to Friday 23 May while planned maintenance is undertaken at multiple locations.

During this time, you will not be able to access BIL water.

100% BIL Water Entitlements in WY25/26

In Water Year 2025-26, BIL customers will be able to use 100% of their BIL Water Entitlements, minus any Brought Forward water.

BIL's policy is that BIL Water Entitlements mirror the South Australian River Murray Class 3 irrigation water allocation percentage, and DEW has announced that Class 3 water allocations will open at 100% in 2025/26.

If you have any questions, please let me know.
