LAND ON WHICH THE WATER IS APPROVED TO BE USED

CONDITIONS RELEVANT FOR THIS SITE USE APPROVAL

Intervals at which conditions of this approval may be varied by the Minister (section 164C(1)(b) of the *Natural Resources Management Act 2004* ('the Act')):

Yearly (on or about 30 June each year)

This approval is subject to the Act, and any conditions which may be specified from time to time in the Regulations, or by the Minister under the Act, and to the following further conditions:

1. Under this approval water may only be used on this site for the following purpose(s) :-
- Irrigation
2. For the purpose of this approval, the terms 'water use year' and 'per annum' mean the period between 1 July in any calendar year and 30 June in the following calendar year.
3. This approval does not negate your responsibility to obtain any other necessary approvals relevant to the using of water at this site.
4. If the company name or name of the Approval holder (s) and/or the postal address of the Approval holder(s) changes, then the Approval holder(s) must notify the Department in writing within 21 days of the change occurring.
5. The use of imported water must not result in adverse effects on the natural flow or quality of surface water, underground water or water in a watercourse or lake.
6. The use of imported water must not adversely affect the condition, biodiversity or extent of water dependent ecosystems.
7. The use of water under this approval must not cause a rise in the underground water level, resulting in detrimental effects to ecosystems.
8. The use of water under this approval must not result in adverse effects on the natural flow or quality of another water resource (excluding effluent).
9. The use of water under this approval must not result in adverse effects to the productive capacity of the land on which it is used, including salinity, waterlogging or perched water tables.
10. The use of water under this approval must not adversely effect water dependant eccsystems.

NOTES

The approval holder, or a person acting on behalf of the approval holder, who contravenes or fails to comply with a condition of this approval is guilty of an offence, and such acts or omissions may also result in cancellation, suspension or variation of the approval by seven days written notice.
